

A meeting the cabinet was conveyed on August 31 to consider a number of proposals put up by different line departments.

Briefing the media regarding the cabinet meeting, Chief Minister Dr Mukul M Sangma said that the cabinet has approved the proposal of the Education department to extend the Death Cum Retirement Gratuity (DCRG) to Deficit Non-Government Lower Primary Schools in the state. Earlier, DCRG extended only to Deficit Non-Government Upper Primary and secondary Schools but with the approval of the proposal by the Cabinet Deficit Non-Government Lower Primary Schools will be covered he added. Similarly, the extension of Provident Fund to Deficit Non-Government Lower Primary Schools has also been approved he said. The Chief Minister said that this is part of the exercise of the government to ensure that social security of the teachers of Deficit Non-Government Schools is improved.

The Cabinet also considered the Amendment to Section 106 of Meghalaya Value Added Tax (VAT) Act to consider the mechanism for realization of value added tax from private as well as public limited companies. The Chief Minister informed that this proposal is specific to sale of coal and limestone to private cement plants and other private industries to evoke the tax to be deducted at source. The companies at the time of paying credit to the suppliers will be required to deduct the prescribed amount as far as the value added tax is concerned to ensure that the realization of value added tax specifically in the sale of coal and limestone is realized effectively and there is no leakage.

The Cabinet also approved the Meghalaya Clinker Cess Act 2015 an exercise to move up additional resources and the amendment of the Meghalaya Fiscal Responsibility and Budget Management Bill which will be introduced in the forthcoming Assembly session. The amendment of Meghalaya police Service Rules in respect of Junior Grade and Senior Grade Posts, in line to the Recommendations of the Pay Commission to avoid stagnation in posts and fulfilling the policy of the state government that all non gazetted government employees are given the benefit Assured Career Progressive Scheme, the proposal of Home Police was also approved by the cabinet during the meeting.

## Agar, bamboo plantation can address climatic concerns, give sustainable livelihood:CM

Asanang

Williamnagar

As part of the Mission Green concept of the Government, Meghalaya Chief Minister Dr. Mukul Sangma distributed bamboo and agar saplings to the people of the West Garo Hills District at Asanang on August 27 while launching Bamboo and Agar Cultivation Scheme under Agriculture and Horticulture departments.

Parliamentary Secretary in charge Urban Affairs, Mr. Noverfield R Marak, Chairman, Meghalaya State Development Reforms Council, Mrs. Bluebell Sangma, Deputy Commissioner West Garo Hills, Mr. Pravin Bakshi, Members of Meghalaya District Council, district officials and officials of the Agri-Horti departments besides local leaders, nokmas, school students and citizens of the district were present at the function.

While addressing the gathering, the Chief Minister Dr. Mukul Sangma expressed his sense of satisfaction for the overwhelming response of the people towards this initiative for creating sustainable ecology and regeneration of the green forest cover of the region thus making conducive environment for the future generation and also bring remunerative returns to the farmers. He also stressed on the need to engage in the agenda of global warming which were caused by human activities meant to support and provide livelihood for the people. Therefore, to reverse the adverse effects of climate change there is a need to redesign the kind of livelihood activities and make our habitations liveable, he added.

Expressing concern on the need for energy conservation, Dr. Sangma stated that power obtained from hydel project alone could not meet the present demands of power in the state and hence, the necessity to generate power from other safe and sustainable materials like bamboo, etc.

He further acknowledged that by taking up Bamboo and Agar cultivation on large scale the state would be able to reverse the trend of population migration from rural to urban areas. Dr. Sangma also explained about the cultivation of the agar plant, how and when to inoculate the plants to enhance their value and informed that a policy is being framed by the government to grow the plant legally since it has been declared as an endangered species and also to regulate marketing of agar wood.

Another value of importance of agar is the leaves from which an elixir drink can be prepared, he added. Dr. Sangma further encouraged the practice of adopting multi cropping and scientific methods for futuristic implementation and success of the scheme.

On the same day the Chief Minister also launched the programme at Rongrenggiri Playground, Williamnagar in the presence of Parliamentary Secretary, Shri. Rophul S. Marak, Deputy Commissioner Shri. C.V.D. Diengdoh, IG (Western Range), Shri. L.B. Sangma, Superintendent of Police, Shri. Davis Nestell Marak and officials of Horticulture & Agriculture departments.

## District panel on crime against women meets at Ampati

The District level Coordination Committee on Crime against Women, South West Garo Hills met for the first time in the office chamber of the Deputy Commissioner, Shri. Ram Singh, at Ampati on August 28.

It may be mentioned that a district level committee was constituted in all the four newly created districts of the State in the month of June, last year with the Deputy Commissioner as Chairman, District Social Welfare Officer as Member Secretary and Superintendent of Police, District Medical & Health Officer, District Public Relations Officer, District School Education Officer and to prominent NGOs of the district as members.

The function of the Committee is to review report on cases arising out of crimes against women in the district; to send monthly report on cases pertaining to crimes against women; to ensure effective coordination between officers concerned on programmes and measures to combat crimes against women and to chalk out appropriate interventions to fight the menace of crimes against women.

Expressing serious concern over the number of pending cases of crimes against women and children, the Deputy Commissioner & Chairman of the Committee, Ram Singh urged upon the District Police to speed up investigation process into the pending cases so that the victims are not subjected to undue harassment by neighbours or threats by perpetrators.

During the meeting the District Social Welfare Officer and the Police presented their reports on cases pertaining to crimes against women. It was informed that three cases of crime against women, including sexual molestation and domestic violence, have been brought to the notice of DSWO although there may be many more unreported cases. It was also said that the delay in certain cases was due to the fact that they have to be referred to the District Council court and as a result concerned departments are unable to submit timely reports.

The Committee therefore decided to have a monthly meeting so as to have better monitoring and review of the pending cases of crimes against women.

## SAN-KER to organise Cycle Rally

Together with the rest of the world, SAN-KER will observe World Suicide Prevention Day by organising a 17 Km Cycle Rally on 10<sup>th</sup> September, 2015 that would begin from Mawroh Community Hall at 10:00 AM and culminate at SAN-KER. There will also be a seminar on the theme 'Preventing Suicide: Reaching Out and Saving Lives' on the same day at the KJP Assembly Conference Centre, Shillong at 2:00 PM.

Registration of participants will begin at the starting point at 9:00 AM. Participants will also be given an official participant label, a certificate of completion and the distance they cycled will be added on to the total distance recorded by IASP globally.

The aim of the International Association for Suicide Prevention (IASP) to host the 2nd Cycle around the Globe challenge this year is to encourage individuals on every continent to collectively cycle the circumference of the globe, with the intention of raising awareness globally about the importance of suicide prevention.

Globally, suicide is the 4th leading cause of death among young males and 3rd among young females. In India, more than one lakh lives are lost every year due to suicide. With the intention of reducing the incidence of suicide and raise community awareness, every year the 10th September is observed as the "World Suicide Prevention Day".
